BARRIER-FREE THEATRE AT MUNCIE CIVIC

The Barrier-Free Theatre program at Muncie Civic has offered an opportunity for those with disabilities in our community to take part since 2014.

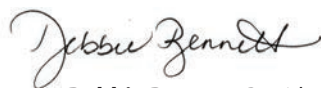

CEO Corner

The mission of Hillcroft Services, Inc. reaches across the lifespan and touches every aspect of the human experience. Uniting our efforts is the core belief that people with intellectual and developmental disabilities (I/DD) can and should have a life just like yours and mine. Over its nearly 70-year history, Hillcroft has

achieved so much working alongside people with I/DD and their families and are proud of our accomplishments. There is no doubt over the last 70 years that big changes have happened for people with I/DD and their families in this country. But there is still a lot more work to be done and Hillcroft Services, along with other agencies across the state, will continue to advocate on behalf of the individuals and families we serve because we are ready for the next decade of change to continue to improve lives.

In this issue, please enjoy reading about Hillcroft's new ABA Clinic which recently opened in Pendleton. You will also see the many ways this community is partnering and financially supporting Hillcroft's progress on behalf of those it serves. To those who have been involved, thank you for your support! If you have not been involved just yet, we welcome you to come on board...

Many thanks!

Debbie Bennett, President & CEO

We had perfect weather for our SOLD OUT, two-day event at The Pines at Woodland Trails! It was an honor to partner with over 150 local business individuals who support our mission and help us raise valuable funds to create impact in our community. We truly thank everyone who came out to support us. It's because of your loyal support that Hillcroft is able to make such a positive impact in the lives of people with disabilities. We look forward to hosting you again next May 11th and 12th for our 19th annual event!

For several years, Thrive Credit Union has been a very special community partner of Hillcroft. They have supported our agency in so many different ways using their time, talent & treasures in very creative ways. We are so thankful for our continued partnership and their loyal and generous support of our Creativity Unlimited program here at Hillcroft. They are such a great asset to our community and we are lucky to have them.

ABA SERVICES NOW OPEN IN PENDLETON

Earlier this Spring, after several months of planning and construction efforts, Hillcroft was excited to expand our ABA Autism services at a newly renovated 6,000 square ft. facility in Pendleton, IN. With the number of children being diagnosed with autism steadily increasing and ABA services in such high demand, we are delighted to offer another option to a community in need. If you or someone you know are interested in services or employment at our new Pendleton location, please contact Nicole Conner at nconner@hillcroft.org or 765.221.1186

Barrier-Free Theatre is a drama therapy program offered at Muncie Civic Theatre that empowers adults with intellectual or developmental challenges to create and perform stories together!

The mission is to empower people of all abilities to enhance self-expression,

Since its inception in 2014, many of Hillcroft's clients and staff have worked with Muncie Civic Theatre to create original plays together as a part of their Barrier-Free program. The partnership between Muncie Civic and Hillcroft is very special. Over the years, Hillcroft clients (and other members of the community) have created and performed in a total of seven productions. The objective of the Barrier-Free program is to provide a platform for Muncie community members to tell the

types of stories they want to tell based on their own personal life experiences. Barrier-Free stories depicted on the Muncie Civic stage have captured a range of themes such as bullying, memories with family and friends, various relationship dynamics, resilience, standing up for others, grief, and the power of creativity and imagination. The upcoming season's theme will be addressing social justice in the disability community and why advocating for it matters.

"The objective of Barrier-Free is to provide a platform for Muncie community members to tell the types of stories they want to tell based on their own personal life experiences."
